Instructions

Videos are available on loan from our library for up to two weeks, free of charge, to transportation workers or consultants in Virginia. Eligible borrowers include employees of VDOT and employees of cities, towns, counties, PDCs, and MPOS in Virginia and their in-state consultants. Also, videos are available for loan to LTAP centers in other states.

To borrow a video, please provide the information requested on this form, including the video title and VT catalog number along with your name, telephone number, email, if applicable, and postal address. You may mail this form to the address below or fax it to (434) 982-2856. You may also send an email to ltap@virginia.edu or call Jane at (434) 982-2897. If possible, we prefer you mail, fax, or email requests, but if these options are not acceptable, please call. Videos will be sent to you using the United States Postal Service.

Some videos may not be readily available due to high demand. When this happens, loan requests are waitlisted in the order in which they are received. Virginia LTAP has multiple copies of the more popular titles, but occasionally demand exceeds our supply.
